**Personal Review: 10 Principles for Studying Your Bible by Dr. Charles F. Stanley**

I usually am a slow reader but this small book held my interest so much that I finished it in 2 nights. It grabbed my attention right from the first page, it was easy to understand and kept me at the edge of my seat until the very last page. One night after reading I experienced one of the strangest, yet most peaceful feeling after retiring for the night as tho God was pleased with me with what I am doing with my time and my life.
